

# Point Lobos BINGO!

Keep your eyes and ears ready as you walk the trails in search of the plants and animals and rock forms of Point Lobos State Reserve.

As a group you can decide on the prize for whoever gets BINGO first.

a ground squirrel	animal's hole in the ground	wildflower that has blue	a bee on a flower	a ship or boat on the ocean
a bird on the trail	a sea otter	poison oak	pick up a piece of litter and put in the trash can	a dead tree
a crawling insect	a bathroom	THE OCEAN	bits of shiny shells on the ground	a lizard
partly eaten pine cone	line of flying birds	a nesting bird	a mule deer	animal track or footprint
a seagull	a gray squirrel in a tree	hear the sea lions barking	bird floating on the ocean	kelp in the ocean
